Adobe® Creative Cloud,™ now built for business

Creative Cloud for teams delivers the ultimate set of creative tools with the business-sized features that you need. You get the entire collection of Adobe Creative Suite® 6 software tools and exclusive updates, along with lots of team-specific features that make working together—and managing licenses—easier than ever. All at one affordable price.

Top benefits

- **Get the world's best tools**—Access all the new Adobe Creative Suite 6® desktop applications you want, plus a host of additional tools and services—Adobe Muse,™ Acrobat® XI, Photoshop® Lightroom® 4, and Adobe Edge tools and services, and more. Creative Cloud gives your team the right creative tool the moment they need it. Use our expert support services to make team members even more successful.

- **Collaborate with your team**—Share widely, collaborate privately. Share files with colleagues both inside and outside your organization. Use up to 100GB of cloud-based storage and device syncing capabilities to share projects anywhere, anytime.

- **Publish apps and websites**—Explore new outlets for your content with the publishing services included with Creative Cloud for teams. Create and host websites, deliver stunning digital apps to the iPad, and more.

- **Centralize administration**—Easily manage and scale your team's software with centralized purchasing and license management tools. You and your designated administrators can quickly add, assign, or transfer seats and track usage by team members.

- **Stay up to date**—Get upgrades upon release, as well as new features and services as they become available.

Available through the Value Incentive Plan

Creative Cloud for teams is sold through the Value Incentive Plan (VIP). VIP is a subscription-based licensing program designed for companies of all sizes. With a VIP membership, no minimum license purchase is required. Management is easy. Deployment is immediate. And compliance is automatic. Ask your reseller for details on signing up.
